Kaput[®]

FLEA CONTROL BAIT WITH FIPRONIL

KILLS *OROPSYLLA SPP.* FLEAS, NOT THE PRAIRIE DOG

NET WT. 50 LBS. (22.7 kg)

EPA Reg. No. 72500-28

EPA Est. 72500-CO-1

ACTIVE INGREDIENT:

Fipronil (CAS Number 120068-37-3) 0.005%

OTHER INGREDIENTS 99.995%

TOTAL 100.000%

Keep Out of Reach of Children

CAUTION

See below for First Aid and Precautionary Statements.

First Aid

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Poison Control Center at 1-800-222-1222 for emergency medical treatment information.

If swallowed, immediately call a poison control center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

NOTE TO PHYSICIAN: No specific antidote is available; treat the patient symptomatically.

Apply this product only for the sites, pests and application methods specified on this label.

READ THIS LABEL: Read this entire label and follow all use directions and use precautions.

IMPORTANT: Do not expose children, pets or other domestic animals to this product. To help prevent accidents:

1. Store product not in use in locations out of reach of children, pets and other animals.
2. Keep pets and livestock out of treated areas until bait has been consumed by the rodents.
3. Dispose of product container, unused, spoiled or unconsumed bait as directed on this label.

Use Restrictions: Use this product to kill flea populations on prairie dogs of the Genus *Cynomys* in parks, golf courses, non-crop rights-of-way and other non-crop areas. The insecticide in this product acts systemically to kill fleas (*Oropsylla spp.*) that commonly infest prairie dogs. Do not apply bait over roads, walkways or water.

Wear waterproof gloves when applying bait. With detergent and hot water, wash all utensils used for applying bait. Do not use these utensils for mixing, holding or transferring foods or feeds.

Baiting: Scatter ½ cup (approx. 4 oz.) of bait on ground within 6 feet of each burrow opening used by prairie dogs. The openings of active burrows will generally be free of leaves, seeds, other debris or spiderwebs, and will show freshly turned earth, and have prairie dog feces nearby.

Bait spoons, measuring cups or other suitable implements may be used to measure and distribute bait. Maximum rate per baiting application per acre is 20 lbs. of Flea Control Bait with Fipronil (0.001 lbs. AI). 20 lbs. treat 80 burrows per acre.

Follow-Up Applications: Applications may be repeated every three months, using ½ cup of bait per active burrow. Do not exceed 4 baiting applications in a 12-months period. Do not exceed at total of 80 lbs. of product (0.004 lbs. AI) per acre in a 12-months period.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in original container in a cool, dry place inaccessible to children and pets.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Handling: Non-refillable container; do not reuse or refill this container. Completely empty bag then offer for recycling, if available; otherwise, dispose of empty bag in a sanitary landfill; or by incineration.

WARRANTY

To the extent consistent with applicable law, Manufacturer and Seller make no warranty, express or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use/handling is contrary to label instructions.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Keep away from children, domestic animals and pets. Avoid contact with eyes, skin and clothing. Wash arms, hands and face with soap and water after applying and before eating, drinking, chewing gum, using tobacco or using the toilet. Applicators must wear long-sleeved shirt, long pants, socks, shoes and waterproof gloves.

User Safety Requirements

Follow manufacturer's instructions for cleaning/maintaining personal protective equipment (PPE). If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

ENVIRONMENTAL HAZARDS

This product is toxic to aquatic invertebrates. Do not apply this product directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE

Restricted Use Pesticide

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This label must be in the user's possession at the time of application of this product.
